Berlin, 28 June 2021. This year as well, all of the firm's partners will be recognized in the *Best Lawyers in Germany 2021* rankings, in the "Product Liability Litigation" category, and will therefore be included in the *Handelsblatt* newspaper's rankings of Germany's best lawyers in 2021: Philipp Reusch, founding partner and Head of Regulatory Affairs & Market Measures, Daniel Wuhrmann, Equity Partner and Head of Mobility and Miriam Schuh, Salary Partner and Head of Health Care.

Philipp Reusch, who will be receiving this distinction for the 13th time, commented as follows: "I am very pleased that we will be recognized among the *Best Lawyers in Germany* this year as well and that we will be included in *Handelsblatt's* rankings of Germany's best lawyers for 2021. The fact that all partners in our firm will be recognized once again not only reflects our leading position as a firm specializing in product liability but also underscores our advisory expertise in a time when products and services are becoming increasingly interconnected."

The *Best Lawyers* rankings are issued by Best Lawyers, an established US publication, and are compiled based on a peer-to-peer survey. The list of Germany's Best Lawyers 2021 is published by the *Handelsblatt* newspaper in cooperation with Best Lawyers.
